Assignment – worksheets PS4-3 & 4-5

9:30-10:00 – Writing

“I am Thankful for...” – complete on own – if time allows now or later in the day, ask students to read several of theirs aloud (these are turned in so I can read them!) You may need to have a conversation about “worthwhile” things to be thankful for, not just toys and “things”. As you well know, this age can be a little bit “me, me, me” about things. But hopefully you won’t need that chat!

10:00-10:15 – RECESS

10:15 – Restroom break

10:15-10:35 – Grammar

Complete Thanksgiving Anagrams – can let them work on individually for a little bit, but then work on them as a class if time allows. (Mail home when complete.)

10:35-11:20 – MUSIC (extra concert practice) – Mrs. Foth will dismiss them to recess

11:20-11:45 – Recess ****Duty – 4th/5th/6th Recess****

Be outside at 11:20 when they get back from Music. At 11:45 they come in and wash their hands. Dismiss them to lunch. Thanks!! ☺

12:30-1:00 – Reading Intervention – students in Title/Resource/Classroom

Students read their novels. You can go around and ask them about their books if you'd like. There is no Spelling City this week, so tell them "no" if they try to pull that on you!

1:00-1:45 – Reading – Focus: comprehension

CC Standard/s: RL.6.1 **SD Standard/s:** 6.R.2.1, 6.R.3.2

Reading Strategies Task Cards (author's purpose, connections, summarizing, inference, questioning, prediction) – place them throughout the room, have student number their paper as they go around – explain that they will have 10 problems when they're done – (hand in **Please check that they did 10 problems. Last time I had some skip 1-3.**)

READ – if there's extra time before art (can have milk at this point)

1:45-2:30 – ART

2:30-2:55 – Science – **SD Standard/s:** 6.E.1.1

Lithosphere, hydrosphere, atmosphere, biosphere - start posters on 8.5x11 paper – no bigger! (Must complete on own! Every other time we've done posters, they've worked together – so just tell them I'm mixing it up a bit.☺)

The kiddos have seen the rubric for this! However, show them again before they get started and keep it visible while they work.

Allow whatever level of chatting you're comfortable with at this point. As long as they're not copying ideas, it wouldn't bother me if they are chatty – but it's your call.

2:55-3:00 – prep for home ****No blog updates by students on Mondays!****

3:00-3:30 – PE
